Exactly, working to get crown plaza engaged, and double tree is out side of our bid but the chamber of commerce is going to work on doing a breakfast shuttle out to double tree etc. Great Idea

We are also considering hiring a double decker bus for the day :)

Thank you!

not sure, I am presented a very difficult task with the trolley route that day as if we have to act as transportation for 2,000 or so people I am going to be a little tight. Again just hitting the initial planning buttons here so let me work through the transportation dilemma and we can work to see how the route will pan out that day :)

Thank you!

Hi Joe,

If the National Watercolor Society was open, would the trolley make a stop there? 915 S. Pacific. They have a new show opening on the 6th.

Excellent,

We will be running the trolley two and from downtown san pedro as we will have to transport around 2,000 of these passengers on two trolleys. Going to have to activate some walking directions and if anyone has additional shuttle service let us know :)

Will begin cracking down on final plans and a flyer etc.

Cheers San Pedro!

Lorena –

The Arts District will ask the galleries if they can be open and see if the Grand Vision Foundation can organize docent tours of the Warner Grand.

I will poll our list tomorrow.

Subject: The STAR PRINCESS is coming to San Pedro on April 14th

Good afternoon all,

The Star Princess will be coming to San Pedro on Friday, April 14th, 2017. They will be in the area from 8:00am to 12:00noon. There will be approximately 3,000 passengers. During that time, some of them will be on tours but there will be a group of them who will venture on to the Free trolley that we will be running that day. We will also be offering outdoor entertainment.

We are putting together a flyer to send to them and wanted to confirm if/how you will participate (i.e., be open, offer a special viewing, etc.) They have requested a flyer that we are putting together so please email me ASAP how you would like to participate. If you are not sure what you will do, I can just put a generic line in the flyer for now. Then, we will reprint a flyer on the day of the event with more detailed information.

Thanks for your prompt response.

Best regards,

Lorena Parker
